

Holiday Greetings!

It's time to start thinking about Holiday Lights! We would like to invite your non-profit organization to participate in our **2025 Holiday Lights**. There is no cost to participate, and this is an opportunity to raise funds for your organization by participating!

Each organization brings an artificial tree (or light display) to the museum and decorates it anyway they see fit. The tree can be between 6-8 feet. If you choose to use lights on your tree or display, they must be LED lights.

Display set-up will take place on Monday, December 1st. The disassembly will be on Monday, December 29th. Hours for set up and disassembly are 10am to 5pm.

The **Holiday Lights** will run from Tuesday, December 2nd through Saturday, December 27th. The museum will be open to the public during this time from 10:00AM until 5:00PM. Visitors will be charged our normal admission fee—\$8 for adults and \$5 for children—with an option to purchase tickets for the trees.

The tickets purchased will allow visitors to deposit them into a collection jar by the tree/trees of their choice. Since each ticket represents \$1.00, your charity will receive, in cash, whatever the dollar value is of the tickets in your jar at the end of the Holiday Lights.

If that sounds like fun to you, sign up as soon as possible using the form below. Space is limited, so first come, first serve will apply. Registration will close as soon as we reach capacity.

Be creative! We hope you will join us for some great community holiday cheer.
